A spacious three bedroom home that is brought to market in great decorative order throughout. You'll be pleasantly surprised by the accommodation on offer at first floor level as it's generally larger than you'd expect at this price point.

This ideal first home or rental investment is centrally located within reach of local schooling, the various amenities that central Bedlington offers, as well as being within close proximity of local bus links across Northumberland. With the added benefit of resident's parking to the rear & a utility room adjacent to the kitchen/dining space which is becoming more & more sought after by buyers in today's market, we expect a great deal of interest from the get go - waste no time in calling Ali & Laura if you fancy taking a look.
