An extended detached three bedroom bungalow that occupies an impressive plot with South facing garden, large driveway and integral garage. Very well presented throughout, this impressive property spoils you with the amount of space on offer: A living room, a dining room, a conservatory (all interlinked) with a bonus loft room that is flanked considerable eaves storage space. Alongside the three principal bedrooms, you'll find a family bathroom & an en-suite shower room off the front-facing master bedroom. The South facing garden is an obvious attraction piece as well as the integrated garage accessed from the well appointed kitchen. You also have a multi-car driveway for all your guests. If you are looking for your final home but have struggled with the downsize from your larger current home, this could well be the home you've been waiting for.
