Two spacious bedrooms and a family bathroom occupy the first floor with loft access off the hall landing as well. At ground floor level this home benefits from having its own entrance hall that leads you to the spacious front aspect living room, with a bright & airy eat-in kitchen beyond. There is the added benefit of a utility room to the rear with under stair storage before entering the fantastic West facing garden that must be one of the largest available with a two-bedroom house in today's market.
