An incredible family home within one of the most popular housing estates in the North East. Located on the edge of The Wansbeck Estate overlooking the open green space down to the River Wansbeck, this detached four bedroom home offers a great deal of internal space and benefits from a substantial L-shaped lounge/diner, a kitchen/breakfast room, a separate utility area plus a downstairs WC. Externally, you'll find an extra wide plot with large front garden, a single driveway & garage, as well as a generous rear garden with gated side access & resin pathways.

Although this home could benefit from updating in places, you can comfortably move straight in as this property has been well maintained & cared for by the previous owners over the years. Full viewing availability can be discussed on a one to one basis - get in touch today.
