**Welcome to Manor Hill Road;** a magnificent and unique period family home situated on one of Marple's most sought after roads and ideally located for the town centre, public transport and the many green spaces the area has to offer.

Set over two floors and spanning over 2,000 sq ft of living accommodation, the property was originally part of a much larger detached house dating back to the Victorian era. The property was subsequently split into two semis and extended to create the stunning home you see today.

Situated on a sizeable plot with extensive driveway parking and a detached single garage, there are generous gardens to the front and rear.
