A superbly presented, end of terrace property (built in the last couple of years), thoughtfully designed to blend seamlessly with its neighbouring properties, while offering stunning views of the South Downs and a driveway. Nestled in an idyllic location within the town, this home boasts well-appointed living spaces.

Step through the obscured double glazed composite front door into a welcoming entrance hall leading to the ground floor master bedroom where you can enjoy comfort and style with double glazed bifold doors which open onto a roof terrace with a decked seating area, enclosed by iron railings—perfect for taking in the breathtaking views. The en-suite has a fully tiled corner shower, low-level WC, vanity unit with storage, Grohe chrome mixer tap, and tiled splashback. Additional features include a tall heated towel rail, extractor fan, wood effect flooring, and double glazed window to the front. Stairs from the entrance hall lead down to an inner lobby, featuring built-in understairs storage. There's a downstairs cloakroom/utility room with built-in cupboard housing the gas boiler, hot water cylinder, and consumer unit. The dual aspect living area boasts double glazed windows to the side and rear, and bifold doors opening to the rear garden. The kitchen is quipped with Shaker style wall and base units, granite work surfaces, and informal bar stool seating. Integrated appliances include a double oven/grill, induction hob with extractor fan, dishwasher, fridge, and freezer. There is an inset square stainless steel sink with a pull-down spray instant hot water tap. The sitting & dining areas offer ample space for sofa seating and a dining table, plus a built-in floor-to-ceiling shelving unit.

On the first floor there are 2 double bedrooms, one with far reaching views, and a family bathroom. The second floor boasts a double bedroom with built-in eaves storage, a double glazed window to the front, and two large velux style windows to the rear with panoramic views.

To the front of the property is a picket fenced garden with exterior lighting, flower border, and Indian sandstone pathways providing side access to the rear garden. The rear garden includes a large Indian sandstone patio, exterior lighting, a lawn area enclosed by fence boundaries, and a southeast aspect. Off-road parking for two vehicles with an electric charging point is accessed via Harlequin Lane. The bustling town centre offers excellent supermarkets, independent retailers, restaurants, cafes, and a monthly farmers' market with plentiful free parking. The area is well-served by both state and private schools. The mainline station provides trains to London Bridge in about an hour.
