Hare Hall is a large four bedroom detached property with one bedroom detached annexe and comes with three acres of land. The property is situated in Broughton Mills and definitely has a lot to offer!

This is certainly a home that's worth the journey past the Blacksmith's Arms, considered one of the best pubs in the Lake District, and up a narrow country lane through forest and field and lazily grazing animals to this little piece of paradise set on a Cumbrian hillside. It could be your welcoming journey home.
