Google Reviews

# Build trust and help customers choose your business

Google Reviews add credibility to your estate agency business.

Build trustworthiness by showcasing real clients' reviews. Adding your 5 star reviews to your microsite adds confidence and reassurance to new customers

Uphold the authenticity of your reviews utilising a popular business review platform whose respectability is trusted by millions of people.

Encourage more positive customer reviews by directing people to your Google Business page to write their own review.

Facebook Messenger Chat

# Stay easy-to-reach for your website visitors

Instant and personal interaction  
with potential sellers.

## Facebook Chat

Communicate with customers on your website with Messenger-powered chat. Chat Plugin is a chat widget maintained by the Meta Business that enables live chat on your website.

Whether they're on their computer or their phone, website visitors will be able to message you anytime by clicking on a small Messenger chat bubble in the lower right corner of your site.

Calendly

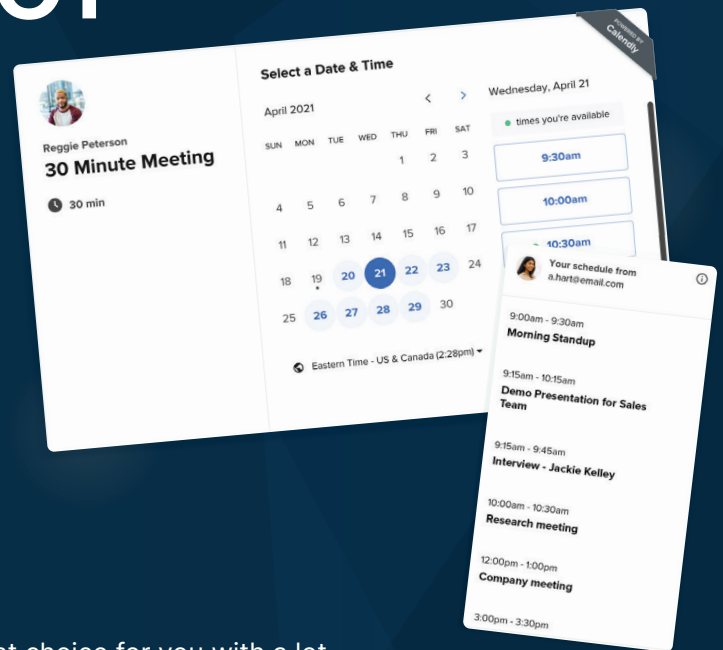

# Automate the busy work of scheduling

Give potential sellers the convenience of online booking.

Calendly is aimed at users who want to streamline the process of setting up meetings of different kinds, allowing for a lot of fine-tuning of the different corresponding options. If you constantly have to manage calendar schedules in your daily life and want to save your time on repeating tasks, Calendly is a great choice for you with a lot to offer.

With this Power Up, you'll have an embedded time and date picker that visitors to your site can use to choose a slot that suits them, to talk about their property requirements. By making it easy for potential sellers to reserve time, they are more likely to get in touch.

Want to get started? Here's how it works:

- 1 Order this Power-Up by visiting our store <https://shop.loop.software/products/website-power-up-calendly>
- 2 We'll contact you regarding your Calendly embed code
- 3 We'll then connect your Calendly calendar to your Microsite.

eXp Microsite  
Social Media Wall

# Showcase all of your social media feeds

Keep your microsite content fresh using this unique power up!

Combine all your social media channels into one single wall and maximize your content.

Don't have time to update content on your website? Save time and increase efficiency by only posting content to your social media channels and then automatically aggregating it on your website.

Easily add content from the 4 major social media platforms to bring all your social media content into one place. Whether you want to display content from profiles, time lines, hashtags, channels, searches, pages, groups, or more, the Social Wall plugin has you covered.
